**YUVA FOGSI
SOUTH ZONE 2020**

Invitation

Dear friends

Greetings from Visakhapatnam.

You are aware that we had to postpone the conference of YUVAFOGSI South Zone 2020, due to sudden outbreak of unusual global COVID pandemic, one week before the start date of the conference. Entire world is passing through the disastrous COVID pandemic for past one year. Our organizing committee is grateful to all of you, faculty and delegates for your patience and cooperation during this one year.

Since March 2020, FOGSI and affiliated societies organized hundreds of excellent webinars, without wasting a single day. Now as the situation in the country has improved, FOGSI under leadership of Dr Alpesh Gandhi and the South Zone Vice President Dr Ramani Devi felt that YUVAFOGSI can be conducted now at Visakhapatnam.

We are going ahead with plans to conduct YFSZ as a Hybrid: physical (especially faculty and organizers at national and local) and livestreaming facility for those delegates who cannot attend. Free paper presentations will be on a virtual platform. So, we are planning it on three platforms which will be first of its kind. We are making efforts to maintain the Scientific Program at high standards in spite of constraints. We invite you to Visakhapatnam and participate in the congress and enjoy the academic feast. We got approval from District Health authority to conduct the meeting. We will follow safety guidelines and we seek your cooperation in adhering to guidelines of travel and stay. The Government and public have recognized the service and importance of healthcare providers and gave preference to us in vaccination. We request all of you to get vaccinated before attending the conference.

We look forward to your participation and seek your best wishes for conference.
